Poem Can't you say you are not important

Can't you say you're not important

It simply isn't true.

The fact that you were born

is proof, God has a plan for you.

But one day you will see.

That all that came before

was brutally meant to be

God wrote the book that is your life.

That's all you need to know.

Each day that you are living

was written long ago.

God only writes best sellers

So be proud of who you are

Your character is important.

In this book you are the "Star".

It is in me,

that many parts of you will be

reflected and if you've been

doing your job, the image

will radiate beauty,

warmth and lovely
