Parents

You are the future builders
You are the leader of our lives
You are the happiness of our lives
You are the one who ease our fears
You are the one who wipe away our tears.

Dh: My sweet parents
Where would I be without you
You lead me not to bad things
but to good things.

You keep me from evil.
even if you beat me.
You know what you are doing
You know what you are planning
for our future.

You keep me even if I
have been done wrong things
Who would let me go to school
and pay the school fees?
Who would let me go to play
You are the one ... because

You are the future builders
You are the happiness of our life
You are the one who ease the fears
You are the one who wipe away tears
